HANDY AUTOMATIC INDUSTRIAL CORDLESS BRUSHLESS LOW TORQUE

Pistol Series

External Dimension

Accessories

- 1 KC-28A - Included with locker Torque Locker
- 2 ID50 Charge Station
- 3 SKC-LB1030S Rechargeable Batteries

Product Features

- Compact weight ergonomic design.
- Cleaner quieter maintenance free brushless motor.
- Most ideal for areas where cables and hoses impede handling flexibility i.e. car interior electrical cabinet interiors. trains.
- 10.8V Lithium-ion battery.
- Torque locker - avoids changing the operator without permission

AUTO SHUT OFF MANUAL SCREWDRIVER

ST & STP Series

Torque Range Reference Chart

Product Features

- Unique compact inline design
- LED illumination to light up dark areas
- Status LED to indicate users tightening results
- 10x lifespan long-lasting contactless micro switch trigger
- The durable auto shut off clutch guarantee 2 million tightening
- Unique compact straight design makes it the perfect tool for standalone station
- The sophisticated auto shut off clutch provides outstanding +8% torque accuracy
- Adopted maintenance-free brushless motor for clean, quiet and accurate operation
- A fully charged 10.8V lithium-ion battery can tighten up to 4.000 screws
- Auto cut off when low battery to avoid insufficient torque applied to screws
- 40 minutes quick charge
- Torque locker - avoids changing the operator without permission

Accessories

- 1 90 Degree Attachment KL-1S (Applicable to AS Series)
- 2 ID50 Charge Station
- 3 SKC-LB1030S Rechargeable Batteries
- 4 KC-28A - Included with Tool Torque Locker

AUTO SHUT OFF MANUAL SCREWDRIVER

ST Compact series

External Dimension

Product Features

- Compact light weight ergonomic design.
- Cleaner, quieter maintenance free brushless motor
- Most ideal for areas where cables and hoses impede handling flexibility i.e. car interior electrical cabinet interiors. trains.
- 7.2V Lithium-ion battery.
- Torque locker - avoids changing the operator without permission
